Today the UAE is widely recognized as a successful modern state that, starting from scratch just five decades ago, has managed to establish the foundations of a prosperous and advanced society. At the heart of its spectacular achievements that allowed the country to assume a position of pre-eminence regionally and internationally lies the vision of Sheikh Zayed. With his wisdom and goodness, Sheikh Zayed set the foundations of modern development across all sectors in the UAE without compromising its rich tradition and culture.

A magazine will be made based on the activities carried out in the school to mark 'Year of Zayed'
